IATSE 411 CREWING POLICY

IATSE Local 411 craft crewing policy is designed to uphold equitable opportunities for all members.

1. Each member may accept a maximum of one crew call per day, prioritizing fair distribution of employment opportunities.
2. A second crew call may be accepted only if all other members have been offered employment opportunities. This second call must not overlap with the contracted hours of the first call or violate regulations set forth by the Ministry of Labour (MOL) or Ministry of Transport.

Thank you for your cooperation and adherence to this policy.
